# STAR ARTIST IN THE SPOTLIGHT EMMA GIBBONS

## THE GLITTERING QUEEN OF POP ART

Emma Gibbons's exuberant, mixed-media artworks, meticulously crafted from miniature hand-made components, balance bright colours, sparkling textures and playful slogans with deeper themes of consumerism and excess.

Known as 'the glittering queen of Pop Art', she is inspired by festivals and nightlife. She uses her rainbow-coloured art to celebrate creativity and transformation, channelling her emotions of positivity, nostalgia, and curiosity, to deliver uplifting, cathartic experiences.

With her distinctive approach, Emma has attracted a global following, including Zoe Ball, Dawn French, Gordan Ramsay, Danny Dyer and Hollywood superstar Margot Robbie, who purchased her celebrated 'Bad Barbie' piece in 2022.

Emma's vibrant new collection is a joyful, uplifting celebration of colour and energy that is guaranteed to make your Christmas merry and bright!
